1. Operational Necessity:	Yes	No
<p>The operational necessity in this context can only be determined by the guarantor of the FKB or airport-based company for obtaining an vehicle ID, if it is not possible to carry out the activity in the critical parts of the security-restricted area without the use of a vehicle. Driving in the critical parts of the security restricted area may only take place on the basis of an operational assignment. This does not include the mere arrival and departure of employees to the workplace. For non-campus companies a guarantor of an airport-based company must be named. The Airport ID-Office/Registration must be informed in writing about the guarantor.</p>		
2. The Guarantor confirms the following (does not apply to "FKB"-vehicles)	Yes	No
<p>The above mentioned vehicle with the above mentioned official license number is a vehicle, a) for which the guarantor of the application is also a payer of the airport security charge AND b) which carries air cargo</p>
